Civil

To,

The Lieu. Nawabsaheb Dilerjung Bahadur,

Savnoor State.

The humble application of Nawaj Khatu kom Abdul Dilerkhan biradar Nawab of Savnoor most respefuctfully - sheweth:-

1. That some time back there was a civil suit between - myself and my co-widow Mujferkhatu and mother-in-law - Amirbibi.

2. That it was decreed in that suit that the applicant - is entitled to a two annas share in the immoveable properties of the family.

3. That an appeal was preferred to the Government through the Political Agent from the decree in the above mentioned suit and in that appeal the Lower Court's decree was confirmed by the Government.

4. That the state is the ultimate reversioner in the case of all this property after the death of the parties to the partition suit.

5. That a division of this property by metes and bounds - will not completely put a stop to all disputes between the parties.

6. That as the state is the ultimate reversioner in this case the applicant begs that instead of dividing the pro-

properties by metes and bounds, the state be pleased to take immediately into possession all the property and out of the annual income of the same, to hand over their respective - shares to the parties to the partition suit.

7. That the applicant begs to quote the following instance as a precedent for such a course to be taken. When the - state was under the administration of the Political Agent, precisely such a course was adopted in the case of one - Peerkhan Risaldar, whose property was resumed by the state and a fixed cash payment instead was made to him annually by the state.

8. The applicant begs that your Honour be pleased to take action as referred to in paras7 & 8 above which will surely result in immense benefit to the applicant and her co-widow and mother-in-law especially as they are helpless purdha - ladies who are more likely to be often-times the innocent - victims of mischief-mongers.

9. In conclusion the applicant begs that your Honour be - pleased to favour the applicant by passing necessary orders in this matter as soon as possible as prayed for by the - applicant.

Respected Sir,

I the undersigned most respectfully beg to request the favour of your granting me a Sanad to practise as a pleader in your State Courts.

I am a watandar Patil of Pasjarhal in the State of Miraj Junior. I pay to Government an amount of Rs 500 nearly as annual Judi. I belong to a noble and respectable family. Although I have not passed any Educational test I have studied upto the matriculation Examination. I have been studying criminal civil and revenue law for the last three years and have gained an insight into them. To practise as a State pleader is the goal of my ambition.

The accompanying two certificates given by two leading pleaders of the Dharwar Bar speak for themselves as to my

character and capabilities. I am quite prepared to pay Rs30, being the fee for the Sanad to be granted.

In conclusion I beg to request that your honour will be pleased to grant me the Sanad.

And for this act of kindness I shall, as in duty bound ever pray.

To

Meherban Lieutenant Nawab Abdul Majidkhan Saheb,
Diler Jang Bahadur, Savanur State.

May it please your Highness,

In January last I had submitted an application praying that a free sanad may kindly be granted to my nephew Srinivas Narasinha Pyati allowing him to practise as pleader in the State and had been informed by your Highness that same will be considered next year. The year is drawing to a close and your Highness will probably be away from Savanur for some time.

Your Highness is aware that I have grown old practising as a pleader in the State and have also worked on the Municipal Committee ever since its constitution in various capacities. Even the small practice I now enjoy falls as a strain on my declining age; but as I have no other source of income to fall back upon and a large family of orphan grandsons I am compelled work hard in my old age. Your Highness will see that it will be great assistance in my old age if my nephew is granted a free sanad.

As your Highness will be away from Savanur for some time I will not have an early opportunity of waiting personaly on your Highness and putting all these things before your Highness so I beg to be excused for approaching before time.

If my request be kindly granted I shall ever remain grateful to your Highness.

I beg to remain,
Your Highness's most obedient servant,
